Wagyu Beef

Wagyu Beef is high in Omega 3 and the marbling in Grass-fed Wagyu makes it very forgiving. It is at its juiciest and most tender when the fat is melted throughout the meat.

Recommended medium rare to medium.

Belted Galloway Beef

Flavour

The beef from Belted Galloway cattle is high in Omega 3, it has a distinctive flavour because of the slow maturation process. The meat is well marbled but also lean.

Tenderness

Belted Galloway fillet is a tender cut of beef.

It's a lean cut with little fat marbling, which makes it buttery smooth and delicate in taste.

Recommended medium rare to medium.
